P/N: 25250

10L GENERAL PURPOSE

Prenco Driver Single Use Kit

Easy to store single use spill kit for first response to small spills or to help contain larger spills from spreading into the environment until back-up absorbents resourced from depot.

Suitable for absorbing approximately 10L of oils, fuels, solvents, agricultural chemicals, coolant and general workshop chemicals.

Designed for on-site plant vehicles servicing plant operations, 4×4, towing and truck drivers.

Contents:
