PREMIUM

75L GENERAL PURPOSE

Premium Prenco Spill Response Kit

This kit features a multi-purpose, industrial grade spill kit that offers a clean up solution to "General Purpose" fluid spills in the workplace.

Suitable for absorbing approximately 75L of oils, fuels, solvents, agricultural chemicals, coolant and general workshop non-aggressive chemicals.

Locate in loading and refueling bays, at storage tanks, near storm-water drains and around the factory adjacent to process machinery.

Contents:

Features:

- Wheelie bin storage allows rapid deployment to any part of your site.
- The kit is supplied with a premium PPE kit with high quality personal protection equipment for your own personal safety.
- For indoor or outdoor use.
- Dry clean the spill quickly and reduce clean up time.
- Clean up is safer by absorbing the spill with "Spill-Sweep" at brooms length instead of using pads which requires standing over the spill.
- "Spill-Sweep" absorbent is tested to meet EPA standards for landfill disposal. Place with confidence in general waste bin at no cost (hydrocarbons, oils etc and non hazardous fluids only). Test certificate and EPA guideline info available upon request.
- Prenco Spill Kits adhere to all Australian safety standards. Helping you to comply with all applicable environmental and health and safety laws.
- The kit is fitted with a metal broom holder connected to the back of the spill bin.
- Service record tag is attached with a metal strip ring seal which has a unique serial number for identification.
- The kit is supplied with a locking wire hasp and staple that is fitted with a Quick Snap Security Seal to indicate if the kit has been opened.
- Content list, SDS documents and instructions with clear and safe steps, to efficiently and effectively clean up the spill. All contained in a clear document holder fixed to the underside of the bin lid.

Packaging:

Size: 120L Mobile Bin - 550mm x 500mm x 950mm.

Weight: 26kg
