SILVERBACK
SUPERIOR PROTECTION & SAFETY

Secure Loads, Safer Roads.

Silverback understands the rigors of the transportation industry whether it's local, interstate or international freight forwarders.

We're always here to help and provide the best equipment for the task at hand at the right price.

Silverback is known for its service and products - from cargo protection to spill control. Silverback is also well known in the industry for its tiedown system, G70 chains, ratchet dogs and are also the key supplier to the market for the Maxibinder and Web dog.

The 8mm Web Dog is a long handle reverse action ratchet that is a safer alternative to lever style load binders, overcoming potential dangerous kick-backs. It is an easy and efficient means of tightening G70 lashing chain used for heavy duty load restraint purposes.
