These Ratchet Tie-Down kits are suitable for shipping containers due to the double wire J-Hook fitting. The Ratchet Tie-Down Kits with Double Wire J-Hooks comprises the main strap with double wire j-hook, plus buckle & tail strap assembly with double wire j-hook. Our strap loops are reinforced to reduce wear from fitting contact points for increased durability. Our buckle has a contour plastic handle to increase user comfort and grip.

All our straps are designed, manufactured and tested for compliance with AS/NZS 4380:2001 and are backed by the Silverback assurance of quality.

The Ratchet Tie-Down System works on semi-trailers, body truck, utes, containers or anywhere you need to lash some equipment down. Silverback can offer you a custom ratchet tiedown with your logo and various colours if required.

SPECIFICATIONS:

- Ratchet buckle with moulded handle
- Fitted with two standard Silverback wear sleeves
- Cool Grey strap colour
- Loops for hardware include innerwear strips for extra strength and durability

SIZES:

- P/N 10316 - 35mm x 6m Ratchet Tie Down Double Wire J-Hook LC 1000kg
- P/N 10344 - 50mm x 9m Ratchet Tie Down Double Wire J-Hook LC 2000kg
