Ratchet Buckle 50mm Reverse Action

Long Handle LC 2500kg

SILVERBACK
SUPERIOR PROTECTION & SAFETY

Ergonomic Power in Your Hands.

Long Handled Reverse Ratchet Buckle with contoured rubber grip, provides added leverage for greater tensioning and the reverse action of applying tension with the upward force is considered to reduce fatigue and stress on the operators muscles and joints.

Silverback has a large range of load restraint items instore and is a known leader in this industry. For the latest load restraint and safety catalogue visit us at www.silverback.com.au.

IMPORTANT – Load Restraints are not to be used for lifting applications.
