A Compact Ratchet Buckle with Snap Hook

The first part of the Second Hitch Tie-Down System is a compact ratchet buckle with moulded handle, fitted with a Snap hook rated to a lashing capacity of 2500kg.

Second Hitch Tie-Down Systems are sold as two separate items, the customised Ratchet Buckle and part number 10687OS: 2.4m x 50mm Orange Webbing C/W Snap hook LC 1400kg. Both are needed to make a complete system ready to use.
