11m x 50mm

SILVERBACK
SUPERIOR PROTECTION & SAFETY

COST-SAVING OPTION

Order in bulk and receive exclusive discounts.

Silverback's Ratchet Replacement Straps with Hook & Keeper are the industry standard for securing general cargo within a ratchet tie-down system.

A popular choice for restraining most general freight and cargo types such as pallets, crates, bundles, machinery and equipment.

Our 50mm wide straps are available in standard lengths of 4m, 6m, 9m, 11m and 13m with a 2500kg Lashing Capacity. We also supply a 75mm wide 9m strap with a 5000kg lashing capacity for heavy-duty load restraint applications. These Silverback straps are provided with 2 x wear sleeves, and for increased durability, our strap loops are reinforced to reduce wear from hardware contact points.

Silverback Ratchet Replacement Straps are designed, manufactured and tested to comply with AS/NZ 4380:2001. Compliance Tags are securely attached to the webbing.

Silverback can offer you a custom length strap with your logo and colours if required.
