

P/N: 11655RUB/ 11656RUB

# LVL Structural F17 with Rubber

65 x 65 x 1150mm with Rubber

75 x 75 x 1150mm with Rubber

**SILVERBACK**  
SUPERIOR PROTECTION & SAFETY

**Protect your cargo and streamline steel transport with durable, rubber-lined LVL dunnage.**

#### PRODUCTS:

- P/N: 11655RUB - LVL Structural F17 65 x 65 x 1150mm with Rubber\*
- P/N: 11656RUB - LVL Structural F17 75 x 75 x 1150mm with Rubber\*

*\*Products have been type tested and is manufactured under the Product Specification Requirements, monitored by BSI - certificate available.  
Exempt from ISPM15 requirements for export*

#### LVL Timber Dunnage with Rubber

An ideal solution for steel transport applications, this durable and cost-effective dunnage is a superior alternative to hardwood. Constructed from high-quality LVL timber and lined with 7mm rubber on both faces, it offers enhanced load stability and surface protection during transit.

#### Key Features:

- Made from Larch Structural Laminated Veneer Lumber.
- Lined with heavy-duty 7mm rubber on top and bottom to reduce slippage and movement
- Minimises damage to cargo and transport equipment
- Lightweight and consistent dimensions for easy handling and stacking
- Designed to withstand all weather conditions
- Designed to effectively reduce shock and vibration
- Widely utilised across the steel industry
