Portable Eye Wash Station

36L

SILVERBACK
SUPERIOR PROTECTION & SAFETY

Safety You Can Take Anywhere

This self-contained unit uses gravity-fed pressure to deliver a steady flow of clean water for up to 15 minutes of continuous rinsing.

This portable design is ideal for mobile teams, remote job sites, construction areas, and emergency backup in workshops or laboratories - for worksites where plumbing is unavailable or unreliable.

We offer a large range of Combination Safety Shower & Eye Wash, they all comply with AS4775:2007 and ANSI compliant emergency safety shower and eyewash Safety Showers and Eye Washes are made of high quality stainless steel and durable plastic materials for a long and dependable life. With a wide range including safety deluge showers, eyewashes, eye/face washes, portable, hand held and combination units, Combination Safety Systems can provide you with strong and reliable equipment for any workplace requirements.
