

P/N: 25220

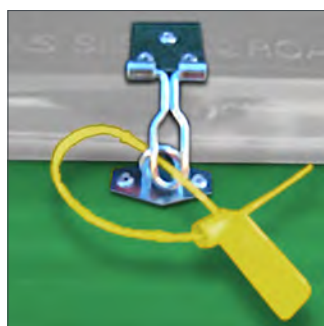

## 700L OIL & FUEL Preco Spill Response Kit

This kit features only Sonic Bonded Polypropylene Pads basic absorbents for effective cleanup of "Oil & Fuel" fluids.

Suitable for absorbing 700L of oils, fuels and other hydrocarbons. These products are designed to repel water.

Locate in loading and refueling bays, at storage tanks, near storm-water drains, truck yards and around a factory adjacent to process machinery.

The hydrophobic absorbent present exclusively absorbs oil and fuel while repelling water, making it ideal for marine applications. These absorbents are far more effective at oil and fuel absorption than our general purpose and chemical variants.

### Contents:

P/N	QTY	ITEM DESCRIPTION
<b>FULL REPLENISHMENT</b>		
25220-R	-	Use this code for a full replenishment of absorbents & disposal bags, PPE & security seals
<b>ABSORBENTS</b>		
2575040OF-4	300	Oil & Fuel Absorbent Poly Pad, 400gsm - 500 x 400mm

<b>SECURITY SEALS</b>		
13003	2	'Quick Snap' Security Seal with Serial Number YELLOW
<b>SERVICE TAG</b>		
25950	1	Spill Response Kit Service Record Tag
13045	1	Metal Strip Ring Seal with Serial Number WHITE
<b>DOCUMENTS</b>		
259220	1	Content List and Oil & Fuel Instruction Guide

### Features:

- Contained within a large 660L wheelie bin with heavy duty wheels. This is the largest wheelie bin that will fit through a standard doorway, allowing rapid deployment to any part of your site.
- Dry clean the spill quickly and reduce clean up time.
- "Spill-Sweep" absorbent is tested to meet EPA standards for landfill disposal. Place with confidence in general waste bin at no cost (hydrocarbons, oils etc and non hazardous fluids only). Test certificate and EPA guideline info available upon request.
- Our pads are made from **Sonic Bonded Polypropylene** and absorb, petroleum-based liquids on both land and water. Place under leaks and drips – wipe down hands and equipment.
- Preco Spill Kits adhere to all Australian safety standards. Helping you to comply with all applicable environmental and health and safety laws.
- Sparkproof Shovel with high chemical tolerance. They never rust or corrode and are made from UV stabilised polypropylene.
- The kit is fitted with a metal broom holder connected to the back of the spill bin.
- Service record tag is attached with a metal strip ring seal which has a unique serial number for identification.
- The kit is supplied with a locking wire hasp and staple that is fitted with a Quick Snap Security Seal to indicate if the kit has been opened.
- Content list, SDS documents and instructions with clear and safe steps, to efficiently and effectively clean up the spill. All contained in a clear document holder fixed to the underside of the bin lid.

### Packaging:

**Size:** 660L Mobile Bin - 1216mm x 775mm x 1227mm.

**Weight:** 90kg
