# **SPILL SOAK®**

## Organic General Purpose Absorbent - 50L

Spill Soak 100% Organic General Purpose Absorbent is an eco-friendly and effective solution for managing spills. This product is made from processed coconut husk and boasts exceptional absorbency for hydrocarbon and waterbased liquids. Its unique composition features millions of capillary micro sponges, enabling it to absorb and retain up to five times its weight in liquid. Spill Soak is free from harmful dust and pesticide residues, ensuring a safe and user-friendly experience.

### **Specifications:**

- Type: General Purpose Absorbent Floorsweep.
- Capacity: 50 Litres per bag.
- Material: Organic milled coconut husk.
- Safety: Dust-free, non-abrasive, non-reactive, non-carcinogenic.
