

P/N: 25820GP

20L GENERAL PURPOSE Preenco Compact Spill Response Kit

Easy to store spill kit for first response to small spills or to help contain larger spills from spreading into the environment until back-up absorbents resourced from depot.

Suitable for absorbing approximately 20L of oils, fuels, solvents, agricultural chemicals, coolant and general workshop chemicals.

Designed for small workshops, loading bays, warehouse facilities and on-site plant vehicles servicing plant operations.
