

P/N: 258200F

20L OIL & FUEL PrencO Compact Spill Response Kit

Easy to store spill kit for first response to small spills or to help contain larger spills from spreading into the environment until back-up absorbents resourced from depot.

Suitable for absorbing 20L of oils, fuels and other hydrocarbons. These products are designed to repel water.

Ideal for miners, exploration crews, truck & forklift drivers, equipment and plant operators.

Contents:

259200F	1	Content List and Oil & Fuel Spill Instruction Guide

Features:

- 20L (approx) absorption capacity.
- Our pads are made from **Sonic Bonded Polypropylene** and absorb, petroleum-based liquids on both land and water. Place under leaks and drips – wipe down hands and equipment.
- Contained in a zipped weatherproof carry bag keeps dust and debris out, easy to open, giving access to all contents.
- Fits neatly into most spaces behind the driver's seat in a truck or Ute.
- Content list, SDS documents and instructions with clear and safe steps, to efficiently and effectively clean up any spill.
- Seal-able and refillable jug of loose absorbent, no tear-able leaking bags.
- Clean-up dustpan & brush for the loose absorbent.
- Security seals fitted to indicate if the kit has been opened.
