# Force Typhoon™ 8 Half Mask

ABEK1P3 (F-4713) Filters - Medium

## Confidence in Every Breath

The Force Typhoon™8 twin cartridge half mask with Typhoon™ valve offers superior low breathing resistance and a 4-point suspension harness with quick release buckles.

The mask is made with a durable thermoplastic rubber offering a superior fit to most face shapes. The mask accepts the full range of low-profile Force Typhoon™ filters giving the Force Typhoon™8 the flexibility to be used for many applications, providing filtering protection against particulates, many gases and vapours.

Available in 4 Sizes - Small (S), Medium (M), Large (L) and Short-Wide (SW) sizes provide an even better fit for a wider range of face sizes and shapes, improving the seal and protection level.

Harness - Fully adjustable 4-point cradle suspension ensuring an effective facial fit.

Typhoon™ Exhalation Valve - Low resistance exhalation valve for easy breathing, with stable mask configuration.

PressToCheck™ filters - Fully compatible with PressToCheck™ twin filter cartridges, providing daily face fit check reassurance with the easiest way to check the seal each time the mask is donned. Fit it - Press it - Check it.

Comformity - Conforms to and complies with AS/NZS 1716 (Australian and New Zealand standard) and EN 140 (European standard).
