ProBloc Broad Spectrum Sunscreen SPF50 PLUS

125ml, 250ml, 500ml, 1L, and 2.5L

SILVERBACK
SUPERIOR PROTECTION & SAFETY

APPLICATION GUIDELINES:

- Sunscreen should be applied 20 minutes prior to any sun exposure.
- When applying sunscreen, you require at least 1 teaspoon (5ml) per body location (each limb, front torso, back torso & head). An adult should use at least 35ml when applying sunscreen all over the body.
- Sunscreen should be applied every two hours to replace sunscreen lost while swimming, exercising or towel drying.
- Additional forms of sun protection including broad brim hats, long sleeve protective clothing, sunglasses & shade, should also be part of your sun protection program.

Sun Safe, Site Ready

SPF50+ sunscreens have an increased SPF factor and are required to meet more stringent broad spectrum requirements. SPF50+ filters 98% of UVB rays and provides up to twice the amount of protection time in the sun. SPF 50+ with moisturising Vitamin E. 4 hours water resistant. Nanoparticle free. TGA Registered AUSTRALIA 203239. Complies to AS/NZS2604:2012 Sunscreen products - Evaluation and classification.
