**SILVERBACK**  
SUPERIOR PROTECTION & SAFETY

## Tough Gear for Tough Jobs.

Silverback understands the rigors of the transportation industry whether it's local, interstate or international freight forwarders. We're always here to help and provide the best equipment for the task at hand, at the right price.

Silverback is known for its service and products - from cargo protection to spill control. Silverback is also well known in the industry for its tiedown system, G70 chains, ratchet dogs and are also the key supplier to the market for the Maxibinder.

Clevis Slip Hooks are designed to enable the chain to slide through the hook and choke down as necessary. Clevis Slip Hooks are a general-purpose, versatile and traditional shaped hook fitting for all sorts of lashing applications.

We also offer all the G70 lashing items needed for freight forwarders, packing flat-racks and containers. Please contact your local Silverback office for pricing on custom products and additional Sling Hooks, Ratchet Dogs, Lever Dogs, Maxibinder, Webdogs and Chain knuckles.
