

Woven One Way Lashing

Yellow (Pink available by request)

SILVERBACK
SUPERIOR PROTECTION & SAFETY

SECURE YOUR CARGO

Silverback's woven one-way lashing solutions offer a variety of unique polyester lashing products to secure your cargo during transportation.

Silverback woven one-way lashing is the worldwide standard for non-metallic lashing.

Silverback woven one-way lashing is the perfect securing solution for flat-racks, railcar and ship applications and is manufactured from high tenacity polyester yarns in a woven structure.

Comparative strength to steel strapping, but with no sharp edges. Lighter and easier to use than steel strap, will not rust or stain goods.
