

Transportable Coolrooms, Long or Short Term Hire.

Do you need on-site chiller or freezer storage?

Australia wide, Silverback now rent reliable and efficient transportable coolrooms. One of the unique features is the 2.68m internal width of our containers and the ability to walk between rows of pallets. Temperature ranges from -20 to +25 degrees making it suitable for many types of industries where extra freezer or cold storage is mandatory.

Access to multiple palletised products

Walk between the rows of pallets, allows access to multiple products without moving stock. Room for 10 standard pallet spaces on the floor.

Wide Opening

- Length: 5880mm
- Width: 2680mm
- Height: 2300mm,
- Volume / Area: 36.2 cubic metres
